REMARKS

Claims 1-4 are pending in this application. Claims 1-4 were provisionally rejected for double patenting. A terminal disclaimer is submitted herewith. The specification was also subject to objection because of informalities. The specification has been corrected in accordance with the stated objection.

Should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone Applicants' Attorney at the number listed below so that such issues may be resolved as expeditiously as possible. For these reasons, and in view of the above amendments, this application is now considered to be in condition for allowance and such action is earnestly solicited.

Respectfully Submitted,
